

EC Certificate of Factory Production Control

No. 0780-CPD - 82019

In compliance with Council Directive 89/106/EEC of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of 22 July 1993, it has been stated that the construction products

Cold formed welded hollow sections for steel structures

Circular sections: outside diameter 273 mm – 610 mm; thickness 6 mm - 16 mm
Square and rectangular sections: winded length 800 mm – 2000 mm; thickness 6 mm – 14 mm
Steel grades: S235JRH, S275J0H, S275J2H, S355J0H, S355J2H

placed on the market by

CAPELLO TUBI S.p.A.
Via Imperia 9
10040 La Loggia (TO) • Italy

and produced in the factory

CAPELLO TUBI S.p.A.
Via Imperia 9 • 10040 La Loggia (TO) • Italy

are submitted by the manufacturer to the initial type-testing of the products and a factory production control and to the further testing of samples taken at the factory according a prescribed test plan and that the notified Inspection and Certification Body - No. 0780 CPD -

TÜV Rheinland LGA Bautechnik GmbH

has performed the initial inspection of the factory and the factory production control and performs the regular inspection, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the harmonised standard

EN 10219-1:2006
were applied.

This certificate was first issued on 2008-01-31 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly or latest till 2018-01-31.

Nuremberg, 2013-01-29

Dipl.-Ing. Karl-Heinz Störrlein
Head of Certification Body
